

# Tables

## Pin-Wheel Sizes

Begin with the correct size Pin-Wheel by following the tables below. Choose the version and size you want to make, then make the necessary sized Half=Square Triangles to make the right sized Pin-Wheel.

12-Patch Finished Block Size	Unfinished Pin-Wheel Block Size	Half-Square Triangle Size (Unfinished)
2"	3"	1 3/4"
3"	4"	2 1/4"
4"	5"	2 3/4"
5"	6"	3 1/4"
6"	7"	3 3/4"
7"	8 1/4"	4 3/8"
8"	9 1/4"	4 7/8"
9"	10 1/4"	5 3/8"
10"	11 1/2"	6"
11"	12 1/2"	6 1/2"
12"	13 1/2"	7"

*Add 3/8" to the unfinished HST size to calculate the size square you need to start with to make the HST.*

*Note: It is better to have slightly oversized Pinwheels than too small. Feel free to round up when making HSTs*

8-Patch Finished Block Size	Unfinished Pin-Wheel Block Size	Half-Square Triangle Size (Unfinished)
2"	3 1/4"	1 3/8"
3"	4 3/4"	2 5/8"
4"	6"	3 1/4"
5"	7 1/4"	3 7/8"
6"	8 1/2"	4 1/2"
7"	10"	5 1/4"
8"	11 1/4"	5 7/8"
9"	12 1/2"	6 1/2"
10"	13 3/4"	7 1/8"
11"	15 1/4"	7 7/8"
12"	16 1/2"	8 1/2"

Note: Measurements may have been rounded up for cutting and piecing convenience.
